

Their Tells

1. The Best And Only

but

quite
unlike
the mask of contemporary
disaffected

Unburdened by each other; and
each the best and only version of
themselves witnesses of the
terrible beauty
when a dance

teenage gothic Searchlights penetrate the becomes a prayer

Duncan's palm pressed against darkness and I start to run but

the paper-thin membrane flowing from one to the next

between life and death | No logic. Just movement. | Movement.

curiously military

there until you look,

concrete bollards. Rain

on the merest glance they smear out

falls like grey confetti

into nondescript

our anthropocentric bones

will leave no signposts, the soft

impressions The smell of rain-soaked earth.

made

Wave after wave.

Immersed,

Their Tells
